# Pharmacist's Oath

- I swear by the code of ethics of Pharmacy council of India in relation to the community and shall act as an integral part of healthcare team.
- I shall uphold the laws and standards governing my profession.
- I shall strive to perfect and enlarge my knowledge to contribute to the advancement of pharmacy and public health.
- I shall follow the system, which I considered the best for pharmaceutical care and counseling of patients.
- I shall endeavor to discover and manufacture drugs of quality to alleviate sufferings of humanity.
- I shall hold in confidence the knowledge gained about the patients in connection with professional practice and never divulge unless compelled to do so by the law.
- I shall associate with organizations having their objectives for betterment of the profession of pharmacy and make contribution to carry out the work of those organizations.
- While I continue to keep this oath unviolated, it may be granted to me to enjoy life and the practice of pharmacy respected by all, at all times.
- Should I trespass and violate this oath, May the reverse be my lot!

“The Ordinary wait for the energy to do the work.

The Extraordinary do the work to get the energy.”

- Robin Sharma

This sentence is an exact reflection of our thoughts when we initially accepted a plethora of tasks associated with the making of 1<sup>st</sup> edition of college newsletter and after the laughs, cries, hugs and all the hard work, we are proud to present to you a new and fresh version of “PANNEWS” for the academic year 2022-23. College of Pharmacy, Paniv has always been on the forefront in pharma arena and has achieved tremendous success in all its endeavors. The united efforts of entire team of College of Pharmacy has made this year progressive by organizing seminars of national and international echelon, organizing industrial visits, workshops and social awareness campaigns. We have tried our best to rope in bits and pieces of all these events in our magazine. Our newsletter also presents to you a wide horizon of talent portrayed in the form of activities & Achievements by our students and teaching faculty. The job of editors is never easy and collective efforts are required to bring the newsletter to life!!!! However, any accomplishment is not worth having unless we thank the ones who made it possible. We would like to take the opportunity to thank our Management, SEO, Principal, all teaching and non-teaching staff members and students. Thank you all once again!!!! We sincerely hope that you have a good time going through the pages of “PANNEWS” 2022-23.

### **About Shriram Shikshan Sanstha:**

Shriram Shikshan Sanstha has been an outstanding charitable institution & is well known for its good quality education. There is increasing demands for quality education in rural areas and creating self employment opportunities for rural women and youth. Meeting these demands is the driving force behind the humble beginnings of Shriram Shikshan Sanstha. It started with a School and Jr. College. Subsequently, we identified the need that there was no institute in the nearby vicinity that provides education post school to Girls, so we started a small batch of 150 all girls' students in a SNTD university run Diploma in education (D.Ed) course. Today Shriram Shikshan Sanstha has a number of institutes under its umbrella. Including two Schools (English 1st to 10th) and Marathi medium (8th to 12th), two diploma and two degree colleges (Pharmacy and Engineering), four Agriculture colleges, Two Science colleges (BSC and BCA/BCS), One Industrial Training centre (ITI) One Science Academy for students pursuing JEE, CET and NEET entrance exams. This year we aim to get Skill India courses too. Today the total strength of the students in SSS has reached 4169 comprising of 1680 girls and 2489 boys. Shriram Shikshan Sanstha also offers hostel facilities for girls as well as boys students. Today Shriram Shikshan Sanstha hostel has a total strength of 358 girls and 294 boys residing in hostels.

## MESSAGE FROM THE MANAGEMENT

**Mr. Prakash  
Shamrao Patil**

President  
Shriram Shikshan  
Sanstha, Paniv.

In the Digital era of 21<sup>st</sup> century, the future will belong only to those talents who are able to build a strong foundation and have in-depth knowledge and understanding of their professional field. With the ever-expanding frontiers of information and knowledge students have to learn to dive deep to harvest the pearls of success against all odds. **Mrs. Shrilekha  
Prakash Paatil**

Mentor  
Shriram Shikshan  
Sanstha, Paniv.

The college stands for Excellence and continuously sets the highest standards. We at Shriram Shikshan Sanstha feel proud to provide quality education by equipping our students with Skills, Confidence and a positive approach with an all round development. College of Pharmacy started initially D. Pharmacy course in year 2009 and B. Pharmacy Course was introduced in 2019. The Institute has achieved a great deal in the last few years since it was established, in terms of accolades won; on term of academic and professional achievements of its students and in terms of its placement record. I am confident that with the resources as well as the learned and dynamic faculty that the college has, it will soon become a Global Brand in Pharmacy Education.

**Adv. Abhishek  
Prakash Patil**

Secretary  
Shriram Shikshan  
Sanstha, Paniv.

We saw a seed, we reap a harvest, we sow an idea an idea, and we reap an institution. In present scenario there are a large number of institutions imparting technical education. But we have observed that at the same time it is more important to create a good human being, acceptable to society. This idea has led us to establish a new Agriculture college. 'Conquer the world with Our Sansthan', keeping in mind the requirement of society we will impart not only the quality education but also training the students beyond academics to make them a technocrat having good human values and professional ethics.

**Mr. Karan  
Prakash Patil**

Joint-Secretary  
Shriram Shikshan  
Sanstha, Paniv.

It is a matter of great pride that College of Pharmacy, Paniv has made consistent progress, year after year, in the field of Pharmacy education. The institution has always been trying to prepare would be Pharmacy graduates to face the global challenges and serve the nation. Our aim is to impart the education which enables one to become independent and to cultivate will power not only to conduct the learning process, but also to strengthen one's character. Being a member of the management in the capacity of Joint Secretary, I personally feel proud to be the part of this institution which has been equipped with spectacular multifaceted infrastructural and state-of-art laboratories, spacious smart class rooms, library and computer-room with internet connectivity. On behalf of the entire management I assure all the students and well-wishers that infrastructure, academic environment, human resources, professional teaching skills and learning process will be maintained with your active participation, and this institute will continue to progress in coming years too.

## MESSAGE FROM THE PRINCIPAL

**Dr. Swapnil  
Ashok Phade**

Principal  
College of  
Pharmacy, Paniv

Pharmaceutical education plays a very important role in producing pharmacists who are professional drug specialists. A pharmacist can play a role of Hospital Pharmacist in hospital service for patients or can play a role of community pharmacist, as a retail pharmacist, who interacts directly with public and dispenses medicines. We at College of Pharmacy, with a vision of being a leading institute, ensure all round development of the students. Over a period of time our students have achieved prizes and awards in various State level and National level intercollegiate competitions (Poster presentation, Paper presentation, Model making competitions, and Quiz competitions). The Pharmacy retail market in India continues to grow at a considerable pace due to prevalence of various communicable and non-communicable diseases due to industrialization and fast urbanization. Therefore we are committed to produce well trained and skillful Pharmacists to cater the health care needs of the society.
